Urdu Digests

01 September 2010

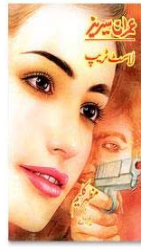

Immensely popular, these monthly digests have become a 'must-read' for Pakistani housewives. They offer a great opportunity to bring the community into the library. Your readers will not need to wait - we import titles literally 'hot off the press'...

We offer paperbacks where stock is to be utilised as magazines. However, Books Asia has also commissioned high-quality hardback copies of all titles. This allows libraries to stock (and budget) these digests alongside standard Urdu book stock, and allows for increased retention periods.
